**ATTENTION PARENTS OF ATHLETES**

In order for us to fulfill Tennessee Secondary School Athletic Association (TSSAA) policies, all student athletes who receive academic scholarships must complete additional paperwork in order for the scholarship to be applied to their account. Any student who receives any financial assistance and plays **varsity** sports must show financial need to accept any scholarship. If your daughter plays varsity sports you must complete the Parent's Financial Statement and return it to the School Business Office. If your daughter plays varsity sports and you choose not to complete these forms you must decline the scholarship. If your forms do not show a financial need, your choice is (1) to accept the scholarship and not allow her to participate in varsity sports or (2) to decline the scholarship so that she may participate in the varsity sport program. These forms are in our Business Office, and they must be completed and filed with the Business Manager before the student athlete is allowed to participate in varsity sports.

Once the recipient of the scholarship is determined, an academic scholarship response form will be sent home to the parents. St. Agnes Academy must comply with the TSSAA guidelines as they are written.

***See attached sheet(s) for criteria and requirements (including deadlines) for specific scholarships.***
