St. Agnes Academy senior Camilla Buoni will continue her soccer career at the collegiate level as a member of the University of Tennessee at Martin soccer team. Camilla recently signed a scholarship to UT Martin at a ceremony witnessed by teammates, classmates, family, coaches and school administration.

Despite several injuries throughout her high school career, Camilla persevered and helped the SAA Stars win four region titles and a state championship. As a junior Camilla scored the winning goal with a header that gave the Stars the state title in 2009. She was named to the All Tournament Team, All Region Team for Division II AA, THSSCA All-State Team, and was nominated to the Commercial Appeals Best of the Preps. As a senior she was elected team captain, named to the All-Star West Region II Team, All State Team, Sportswriter's Tennessee All State Team, and she was the leading scorer for the Stars.

In addition to playing soccer for St. Agnes, Camilla played on the Fury 93 club team for several years and helped her team to a third place finish in the state. She has participated in the Olympic Development Program for three years, and she currently plays for the Lobos 93 team. Camilla also spent numerous hours coaching teams for the various club soccer programs.
