Revised : 6/1/2017

## ACADEMIC REVIEW

The faculty and administration are very concerned when a student earns below a **C** in any subject. Academic Review is intended as a positive effort to help the student make progress toward successful completion of coursework. It is our goal to assist students in acquiring the attitude, knowledge, and skills that contribute to effective learning in school and across the life span.

Students, parents, and faculty will work together in this monitoring process, designed to help students who are in danger of making a **D** or an **F** in a course or courses for a nine-week period and/or a semester. Note that each semester Academic Review is cleared, and the next semester begins with a fresh start.

### Process:

1. Each respective counselor reviews a student's academic progress on a weekly basis. When a student is in academic difficulty, the counselor and the student meet to discuss a plan for success.
2. The Academic Review Committee reviews student's academic needs when she is in danger of making a **D** or an **F** in any course. An appropriate Action Plan \* will be determined to ensure the success of the student, and parents will be notified.
  - Notification of recommendations and requirements is sent to the family and a conference may be held.

\*The Action Plan may include (but is not limited to) the following:

- Home Place for quiet study (see section entitled Home Place)
- Mandatory meeting with counselor once a week
- Mandatory meetings with teacher of course that is in jeopardy
- Limited participation in or removal from extra-curricular activities, which could include school-sponsored trips
- Weekly monitoring appropriate to grade level

During this period of academic monitoring, the student is "on Academic Review."

The student will repeat the course if she fails.

In case of semester failure, note the following:

1. 1.5 credits is the limit to the number of courses that may be repeated before the student will not be able to graduate from Saint Agnes Academy.
2. There are two ways a student may earn credit for a failure:
  - a. Retake the course at SAA if the schedule permits for both credit recovery and grade replacement.
  - b. Attend an SAA approved summer school for credit recovery only.
3. A student may earn a limited number of summer school credits as determined by the Academic Review Committee. (see section entitled Summer School)
4. Any credit not earned at St. Agnes Academy is not calculated into the student's cumulative grade point average, but the credit does become part of the student's record. Transfer and summer school transcripts stand alone but are mailed with the SAA transcript.
5. Falling below a 2.0 cumulative GPA at any time may result in dismissal from any activity.
6. No student may be allowed to try out for or participate in extra-curricular activities of any kind if she falls below a 2.0 cumulative GPA. **Note:** A student will not be promoted from one grade to the next if she fails two (2) concurrent semesters of either English, math, or theology within one academic year.

## ACCOMMODATIONS

Accommodations for students with psycho-educational evaluations on file with St. Agnes Academy are coordinated by the current grade counselor. A diagnosis and recommendations by the psycho-educational evaluator must be within 3 years of the accommodations request to the school.

A physician's letter may be added to the file, but a complete testing battery by a psycho-educational evaluator is mandatory.

If the student qualifies, accommodations include:

- extended time on chapter tests and semester exams  
**NOTE: No extended time on quizzes, papers, and projects.** (See Extended Time for details.)
- opportunity to photocopy another student's notes supervised by the teacher
- preferential seating
- option to decline bubble answer sheets

Applying for accommodations on College Board and ACT assessments at the end of the sophomore year is coordinated by Mrs. Barbara Olson, the Director of Counseling.

## ALCOHOL TESTING

Each Saint Agnes student and her guest(s) will be tested for alcohol at the beginning of each dance and designated events sponsored by Saint Agnes Academy. These alcohol tests are a condition of entry. No student will be admitted to these Saint Agnes Academy activities if testing indicates alcohol use. Parents will be contacted to come pick up their child.

## ATHLETIC DEPARTMENT PHILOSOPHY

The coaching staff of Saint Agnes Academy has dedicated itself to the development of the total student athlete. The academic, physical and psychological growth of each person is conscientiously considered when planning and implementing the athletic program.

The professional staff is aware of the individual needs of its youth, as well as the social implications of being able to work as a member of a team. Students will be given the opportunity through extensive training, excellent equipment, and good coaching to reach their maximum potential athletically, if they dedicate themselves to the program.

The school's goal is to produce young women who have the capacity to be successful citizens in our highly competitive society. We are committed to achieving this goal. When students leave Saint Agnes Academy, we want them to be able to say that they were proud to have been a part of Saint Agnes Academy athletics.

## ATTENDANCE

Attendance Officer: Ms. Renata Novarese-435-5844

Both parents and students should be aware of the strong relationship between good attendance and success in school. Regular daily attendance in every class is necessary for a successful academic experience.

As a result of this, particular attention should be paid to the list of holidays and vacation periods found in the school calendar. In addition, families should check the Upper School Test Calendar. Saint Agnes Academy expects that students and their families will honor these dates and expect no special vacation privileges.

We do also hope that families will do their best to schedule doctor and/or dentist appointments at times and on dates when students miss the fewest number of classes. A good time for these appointments is Wednesday afternoon, since the school has early dismissal.

**Note: A student may not miss school to get a driving permit or license. She risks zeros in all classes missed.**

**\*What To Do If You Are Absent:**

1. If you are sick, have a parent call Ms. Novarese at 435-5844 before 9:00 a.m.
2. If you know ahead of time that you will be absent, bring a note to Ms. Novarese as soon as you know.
3. Students must always sign-out before leaving campus and sign-in with a parent note when coming late.

**I. Definition of Terms**

**A. Absences**

1. An **Excused Absence** is any absence verified/excused by the St. Agnes Academy Attendance Office. Teachers will allow for make-up work/assessments. See information on Make-Up Work and the Make-Up Schedules.
2. An **Unexcused Absence** is an absence that is not necessary but is precipitated by the choice of the parent and/or student. Teachers do not give make-up work/tests. An absence can be deemed **Unexcused** under the following categories:
  - a. An optional family trip.
  - b. Participation in activities unrelated to school during school time, such as obtaining a Driver's Permit/License.
  - c. Parental decisions to keep the student out of school.
  - d. Unauthorized college visits.
3. **Truancy** is absence from school all or part of a day without the knowledge of the parents and the school. An automatic suspension will result, and a mandatory parent conference will be required. Repeated infractions will warrant expulsion.
4. Concerning a **Prolonged Absence**, Saint Agnes Academy is ready to help students who are forced into prolonged absence by illness or injury to complete their make-up work.

**B. Tardiness**

**Tardiness** is being late for school or any class. Rules concerning failure to be on time are as follows:

1. If a student is late for school, she must immediately report to the Attendance Office for an admit slip.
2. Every time that a student is tardy to school or to class, she will receive a demerit.
3. Every third tardy to school or to class will constitute one absence and a detention. (Three demerits = a Detention). Parents will be called.
4. **A student must be present in class for at least thirty (30) minutes to be counted as present for that class.**

## II. Regulations – Regarding all rules concerning attendance, special consideration is given to a student with an extended illness or serious injury.

- A. Any student who misses school for even part of a day is not allowed to participate in any school function without special permission of the Dean of the Upper School.
- B. Attendance at class retreats is **REQUIRED** unless excused by the Dean of the Upper School. There may be consequences, such as detention.
- C. Excessive absences will incur penalties and / or parent conferences. A student cannot miss more than fifteen (15) days of any course in order to pass for the semester. After 5 consecutive absences, documentation from the primary physician is required. Documentation must include: diagnosis, treatment, and medication(s) prescribed, along with a note allowing the students to return to school.
- D. Excessive absences (upon the 6<sup>th</sup> absence) in Advance Placement or Honors course will require a parent-student-teacher conference.
- E. An **ATTENDANCE ALERT** from the Attendance Officer will notify students and parents of excessive absenteeism or tardiness. Also, parents and students will be notified when a pattern is seen in absenteeism or tardiness. For example, students will not be allowed to miss tests / quizzes / assignments excessively.
- F. Concerning College Days:
  - 1. Saint Agnes Academy encourages students to visit colleges before making a final decision about where they will matriculate.
  - 2. Seniors will be granted three college days as Excused Absences. Juniors will receive one college day second semester only. (For procedures see page 6.)
  - 3. College days cannot be taken after November 17<sup>th</sup> for the first semester and after April 6<sup>th</sup> for second semester.
  - 4. Students should not arrange dates for college visits when they have announced tests and / or projects due as listed on the Upper School Test Calendar.
  - 5. Spring college visits must be taken at colleges where the student has applied in order to be excused college days. For these particular visits, the St. Agnes College Visit Form, which is obtained from the student's college counselor, must be submitted at least two days before the absence.
  - 6. No college visits are allowed when there are special events, i.e. Day of Caring, Senior Retreat, Rose Ceremony, etc.
- G. We do not award perfect attendance. No points are given for perfect attendance. No points are deducted for absences.
- H. Note that Compulsory School Attendance Forms for Driver's Licenses and Permits must be obtained from the student's grade counselor during regular school hours when school is in session. Here are the requirements as set forth by the State of Tennessee:
  - 1. Students must be making satisfactory progress towards graduation (not failing more than 4 subjects) to get a form and must have compulsory attendance.
  - 2. Compulsory attendance is defined as not more than 10 consecutive/15 total absences (per semester).
- I. Make-Up Policy

Each department will share its specific make-up policies with the students at the beginning of each semester. Communication between the student and teacher is essential, either in person, through e-mail, or through the teachers' Learning Management System (LMS).

  - 1. The responsibility for making up work missed rests solely with the student. Short-term absences and/or missing class for any reason do not relieve the student of her responsibility for completed assignments and test preparation when she returns. The student should check teacher LMS for all details. Upon the day of return, the student must see each teacher for work assigned when the student missed class.

2. When a student returns to class, she will be allowed one day to make up daily classwork assessments per day of absence. Assigned work not made up within the allotted, specified time frame will result in a grade of zero. A test, homework, quizzes, orals, and papers not made up within this time frame will result in a grade of **zero**.
3. Teachers will designate deadlines for make-up work.
4. If a student **does not show up** at the time and place designated by the teacher, after she has agreed to do so, the student will receive a **zero**.
5. No make-ups will be done during class in the classroom or in the hallway.
6. Make-ups for prolonged absences will be handled among the student, her teachers, and the counselor.
7. **Note that long-term projects and/or papers are due on the day assigned even if the student is absent.**
8. When a student is representing the school in an activity and has an excused absence, she is expected to communicate with the teacher in advance and turn in as much work as possible preceding her absence. Upon return, she is expected to have her assignments completed.

**Summation:**

- Short-term absence: Student is absent for one to three days. Student sees teacher upon return.
- Prolonged absence: Student is absent for more than three days. Student sees counselor upon return to work out a schedule for make-up work.
- **Long-term projects and/or papers are due on the day assigned regardless of absences.**
- A student who comes to class without assigned work and who has not been absent the previous day receives a zero for that assignment.

**III. Procedures**

**A. In the event that the student must request to be absent from school, the procedure is as follows:**

1. The student should bring a written note from a parent to the Attendance Office. Unless the reason for this absence is an emergency, the Attendance Officer will expect all requests for absence to be submitted before school on Monday morning of each week.

2. After the Attendance Officer signs the note, the student will show the note to each teacher as she goes through the school day in order to inform the teacher of the upcoming absence and to ascertain what assignments will be missed.
3. The student will then turn in the note and sign out in the Attendance Office.

**B. In the event that the student must be absent or tardy, the procedure is:**

1. A parent or a guardian appointed by the parent must call the Attendance Officer (Ms. Novarese at 435-5844) before 9:00 a.m. in order to inform the school of the reason for the student's absence or tardiness. If a parent or guardian appointed by the parent does not call the school by 9:00 a.m., the Attendance Officer will contact a parent.
2. Upon arrival at school, the student must bring a written note signed by a parent or guardian appointed by the parent stating the reason for the absence or tardiness.
3. The student will present this note to the Attendance Officer in order to be officially admitted into school.
4. If all is in order, the student will be given an Admit Slip to class. She will show this Admit Slip to each teacher in order to be admitted to each class.

**C. In the event that the student becomes ill at school:**

1. She will inform her teacher who will direct her to report to the School Nurse.
2. If the illness is serious, the school will notify the parents.

## **BEHAVIOR**

Young ladies of Saint Agnes Academy are to conduct themselves as people of honor. No matter where the student is, she represents St. Agnes Academy. Any conduct, which reflects unfavorably on the school, either on campus, off campus, or through any online activities, can result in expulsion.

**-C-**

## **CELL PHONES**

**The use of cell phones is forbidden during the school day, i.e., from 8:00 am until 3:15 p.m. on campus.** Phones should be turned off during the school day and must be deposited in the appropriate receptacle at the beginning of each class. Note that if the phone is seen or heard, it will be confiscated by the teacher until the end of the school day, and the student will automatically receive 3 (three) demerits which constitute a detention.

## **CLASS RANK**

The ranking method includes grades for all Saint Agnes subjects for which a whole or a fractional unit of credit is given toward graduation. The official rank is computed on the basis of the cumulative grade point average of the 8 semesters at the end of the senior year, and is published on the final transcript given to the student at graduation.

Rules concerning class rank are the following:

- 1) Until graduation day, class rank is only provided to collegiate offices of admissions and scholarships for academic awards.

- 2) The three students who receive the designation of Valedictorian, Salutatorian and third honors must have attended Saint Agnes Academy all four years of high school.

## **COUNSELING**

Director of Counseling and Grade 12 Counselor: Mrs. Olson 435-5841

Grade 11 Counselor: Mrs. Rice 435-5804

Grade 10 Counselor: Mrs. Meghan Kilkenny 435-5885

Grade 9 Counselor: Mrs. Smith 435-5809

Registrar: Mrs. Guasco 435-5803

The primary purpose of the Counseling Program is to help each student understand herself and her environment in order that she may be a happy, effective, and productive person. The faculty and counselors work closely together. When a student is experiencing academic difficulty, she should see her teacher first. Her counselor is available as a secondary resource.

Standardized tests are administered to assess mental ability, aptitudes, and interests. The counselors interpret the results of these tests for each student. These test results, as well as personal conferences with the counselors, are a valuable source of information in guiding each student, so that she may better realize her own potential and make educational and personal decisions accordingly.

College and career information can be found in the Elizabeth Ehrlicher Upper School Counseling Center and on each Counselor's LMS. Students are encouraged to use these college and career materials.

## **COURTESY**

Respect and courtesy should be shown to all faculty, staff, administrators and visitors, as well as to fellow students, whether in person or online. Students are expected to conduct themselves in a courteous and responsible manner, reflecting credit upon them and on Saint Agnes Academy.

## **CURRICULUM**

**-D-**

## **DEAN'S LIST**

Selection for the Dean's List is based on grades related to all subjects for the semester. All students, regardless of their status as freshmen, sophomores, juniors, or seniors, will be eligible for either category of the Dean's List. The Dean's List will be categorized as follows:

Summa Cum Laude: a GPA of 3.95+

Magna Cum Laude: a GPA ranging from 3.45 – 3.94

Any student with negative comments for classroom behavior will not be on the Dean's List. Students earning either status on the Dean's List will have their names posted in a prominent location on campus, and will receive recognition at the end of the semester.

## DELIVERIES

No deliveries are accepted at any time for any reason, anywhere on campus during school hours. Note: This includes such items as phones, lunches, money, laptops, keys, uniform apparel, schoolwork, flowers, etc. No flowers are ever accepted.

## DINING HALL PROTOCOL

The lunch periods can be a pleasant time to meet and visit with other students. In order to ensure this, all students must follow the directives of the teacher Dining Hall Monitor. To make the lunch periods pleasant and relaxing, the following courtesies should be observed:

- All students (except seniors when they have privileges) must eat lunch in the Dining Hall unless they are in a meeting with a teacher who has given permission for them to eat during a meeting in a designated location.
- Good table manners are expected of every student.
- Students must clean up after themselves.
- The tables are to be left clean, and all bottles and papers are to be put in the proper place.

The student works in school in a designated area on schoolwork and may receive zeroes for academic work for that day.

- A. A parental conference is required to clear a suspension.
- B. Any student who is on Disciplinary Review risks losing privileges, including senior exam exemptions, attendance at dances or other social events, and the right to participate in clubs, organizations and athletic events. Saint Agnes Academy conducts random drug testing of hair as part of our commitment to give students another reason to remain drug free. Our determination is to grant our students the gift of time...time to be drug free while in our care. Our belief is that students deserve a learning environment where the culture of illegal drugs is neither present nor tolerated. Our hope is that drug testing will give our students a way to say "no" to drug experimentation and / or use.

## **DUAL ENROLLMENT**

St. Agnes Academy participates in the Christian Brothers University HOPE Dual Enrollment Program to offer college credit for high school students who qualify in Spanish/French III or IV.

- Upon successful completion of each semester, the student may receive three credit hours.

- **Note:** *Extended time is an option in Advanced Placement classes or on AP exams when and if the College Board grants it.*

## **EXTRA CREDIT POLICY**

The teachers at St. Agnes Academy have laid out an appropriate amount of work to illustrate the content of each course. With this in mind, no teacher will create extra credit opportunities based on request. However, this does not mean that the student wishing to go farther than the planned class content cannot seek satisfaction. Such a student can inquire about any information regarding optional work through the SEEK Independent Study Program. Many teachers add bonus questions to tests or quizzes. When extra credit options exist, they are projects or participatory opportunities announced by the teacher. It is never appropriate for a student having difficulty to ask a teacher “What can I do for extra credit?” She should already be aware of such opportunities for that course.

## **HEALTH AND WELLNESS**

School Nurse: Mrs. Season Jones 435-5835

Saint Agnes Academy adheres to the guidelines that were developed by the Tennessee State Department of Education, the American Academy of Pediatrics Committee and School Health, and the Memphis and Shelby County Health Department for both public and private schools, and is approved by the Tennessee Board of Nursing. The intent of the policy is to assure safe administration of medications and to help each child maintain an optimal state of health.

Parents are asked to disclose information about their daughter's medical condition and prescription medication that the student is required to take.

An *Authorization for Medication During School Hours Form* must be completed yearly by a parent / guardian for administration during school hours of both prescribed and non-prescribed medications. A physician's signature is required on this form when prescription medication is needed.

**N.B.** The exchange of prescription drugs among students may result in serious consequences, including suspension or expulsion.

Any type of serious injury, including concussions, requires a doctor's release before a student will be allowed to re-enter school.

**N.B.** A doctor's note is required if it is necessary for a student to wear tennis shoes and/or carry a water bottle. If a student must wear tennis shoes, she must submit the note by September 1 to the Dean. She must wear gray tennis shoes.

## HOMEROOM AND ACTIVITY PERIOD

It is a **requirement** that homeroom and activity period be quiet study time. Students will be released for organized activities during these periods of time; however, an environment conducive to study will be maintained. At this time of day, it is recommended that students check email for school communications.

## HONOR SYSTEM

In keeping with its philosophy and mission statement which demands absolute honesty to one's self and to others, thereby creating an atmosphere of mutual trust and respect in all campus situations, Saint Agnes Academy has established an Honor System as a means of achieving this ideal. The success of the Honor System is directly proportionate to each person's commitment to this ideal.

All students are expected to abide by their pledges to the system. Lying, cheating, stealing, plagiarism, and negligent behavior are all infractions of the Honor Code, and when reported to the Honor Council will be treated

as serious offenses. Students will be instructed about the Honor System at the beginning of each year, during each quarter, and just prior to semester exams. Students will be expected to sign the Honor Pledge and the Dominican motto, **VERITAS**, on all work submitted.

**The Honor Pledge:** *VERITAS I pledge, on my honor, that I have neither given nor received information on this assignment. (Signature)*

Avoid these common infractions:

1. "Borrowing" (stealing) of any items that belong to someone else
2. Lying as an immediate response when it is easier to tell the truth
3. Sharing academic materials, such as homework, study guides, and notes without the teacher's permission
4. Cutting and pasting (plagiarism)
5. Sharing information about contents of test or quiz

Consequences for Honor System violations may include one or more of the following:

- a. A zero on the assignment
- b. An apology to the offended party
- c. One or more Detentions
- d. Verbal and written notification to parents
- e. Placement on Disciplinary Review
- f. Suspension or Expulsion

## **INDEPENDENT STUDY PROGRAM ENTITLED SEEK**

To add to the preparation of our 21<sup>st</sup> century learners, Saint Agnes Academy offers an independent study opportunity, **SEEK**. Through **SEEK** (Students Exploring and Enhancing Knowledge), the students have the opportunity to study outside the formal class structure. Such a program involves further in-depth study of a topic of interest already studied in a formal course, a topic related to the formal course, or a topic entirely new to the student. This work must be sponsored by a faculty member and approved by the appropriate department(s). The research project culminates in both a written and an oral presentation before the SEEK committee. Upon successful completion of the project, the student receives a half credit of an A that will be placed in the box entitled “Other” on the school transcript. This grade will not be part of the cumulative grade point average.

## **INFORMATION SYSTEMS**

The SAA-SDS website, the school Facebook page, and our Learning Management System (including grades) are accessible on the web and will provide vital information.

Specifically:

1. The LMS is the primary academic resource for students and parents providing information about classroom performance.
2. Students and parents should inspect periodically the SAA-SDS website at [www.saa-sds.org](http://www.saa-sds.org) and the SAA-SDS Facebook site for information about all-school events.
3. The email address for all faculty and staff consists of the first initial of the first name, the last name, followed by [@saa-sds.org](mailto:@saa-sds.org). Example: [jmaness@saa-sds.org](mailto:jmaness@saa-sds.org) for the Dean.
4. In addition, streaming of certain events is available. Check the Wednesday Wire and the SAA website for information.

## **JUSTICE, RESPECT AND PEACE (JRP)**

*St. Agnes Academy-St. Dominic School recognizes and respects the dignity of every human being. As a community we are all committed to an educational environment that is free from harassment, intimidation or bullying. “Harassment, intimidation or bullying” refers to any intentional written, verbal, or physical act which:*

- Physically harms a student or damages the student’s property
- Has the effect of substantially interfering with a student’s education
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment
- Has the effect of substantially disrupting the orderly operation of the school or an individual classroom or event

Harassment, intimidation or bullying can take many forms including, but not limited to, the following: slurs, rumors, jokes, innuendos, demeaning comments, drawings, cartoons, pranks, gestures, physical attacks, threats, other written, verbal or physical actions or social media postings. “Intentional acts” refers to the individual’s choice to engage in the act rather than the ultimate impact of the action(s).

Reporting incidents of harassment or bullying is the responsibility of not only those who are victimized by the behavior but also anyone who witnesses the behavior. If such inappropriate behavior occurs, it should be reported to an adult who will document the incident and take appropriate action. Depending upon the frequency and severity of the conduct, intervention will be used to remediate the impact on the victim and the educational climate. Strategies will be employed to change the behavior of the person responsible for the unacceptable behavior. The intervention may include counseling, correction, discipline and referral to law enforcement in the most extreme cases. False reports or retaliation for harassment, intimidation or bullying also constitute violations of this policy.

*The ultimate goal is for members of the community to transfer the ideals expressed in this policy into their daily lives both on or off campus. Justice, Respect and Peace (JRP) is our student-faculty program with the goal of creating a culture of kindness.*

All infractions of the Laptop Rules and the *Responsible Use Policy* will result in limitations imposed on the student's laptop use. ## **NATIONAL HONOR SOCIETY AQUINAS CHAPTER**

The four components of membership in the National Honor Society are scholarship, service, leadership, and character. Students are required to submit a letter to the Selection Committee explaining ways in which they meet the characteristics of service, leadership, and character. These characteristics are defined by the National Honor Society By-Laws as follows:

**Scholarship:** *Students who meet the scholarship requirement of a 3.67 or higher cumulative grade point average by the end of the sixth semester at SAA are invited to apply for membership consideration. The student's grade point average is based on coursework completed in the St. Agnes Academy Upper School, as school policy accepts course credit from previously attended high schools but does not combine grades in computing GPA. A student must have a minimum of six semesters of coursework in the St. Agnes Academy Upper School.*

**Service:** *This quality is defined through the voluntary contributions made by a student to the school or community, done without compensation and with a positive, courteous, and enthusiastic spirit.*

**Leadership:** *Student leaders are those who are resourceful, good problem solvers, promoters of school activities, idea-contributors, dependable, and persons who exemplify positive attitudes about life. Leadership experiences can be drawn from school or community activities while working with or for others.*

**Character:** *The student of good character upholds principles of morality and ethics, is cooperative, demonstrates high standards of honesty and reliability, shows courtesy, concern, and respect for others, and generally maintains a good and clean lifestyle. (National Honor Society, Reston, Virginia)*

Students who meet the above criteria are inducted into the National Honor Society during the fall semester of senior year after fulfilling the residency requirement of attending SAA for 6 semesters. Inducted members must continue to meet the selection criteria to maintain membership. Any student whose cumulative grade point average falls below 3.67, who is found guilty of an Honor Council offense, or who is on Disciplinary Review for any reason is subject to having her membership suspended.

Any student wishing to go to her car during the school day must receive permission both from her classroom teacher and from the Dean of the Upper School/Administrator.

A student's reckless use of her automobile may result in not being able to bring her car to school.

The purpose of senior privileges is to give the seniors the prestige they EARN and to give them the opportunity to exercise mature and responsible behavior. The following rules apply:

1. No privileges are granted until the end of the first quarter.
2. Privileges are determined each year by the Upper School Dean and the senior sponsors in consultation with the officers of the Senior Class.
3. Note that the school does not allow students any off-campus privileges.
4. Seniors on Academic Review will not be granted privileges for the entire grading period. In addition, seniors with a grade below 70 in any course at the end of the third quarter will be placed on Academic Review and must report to homeroom for study during Homeroom and Activity Period for the remainder of the quarter.
5. There will be no privileges for seniors with a poor disciplinary record.

## SERVICE HOURS

In the Dominican tradition, Saint Agnes Academy believes that faith is lived as well as learned. In order to help students become aware of the needs of others, to help them develop an appreciation for service to

others and to introduce them to the types of community services available and the people who provide them in our community, service hours are required of all students in the Upper School.

### ***Hour Requirements:***

- Each freshman and sophomore is required to complete at least 20 hours of service. Each junior and senior is required to complete at least 30 service hours per year. At graduation, each student will have completed a minimum of 100 hours.
- Students who perform 100 or more hours during any one year will be recognized with an award.
- All hours should be completed outside of the school day. A list of suggested service opportunities will be available for each student's reference. (Consult the Theology Department for details concerning acceptable service hours.) Hours beyond those required yearly cannot be applied to fulfill the next year's requirement.
- Students are required to report their service activities on their x2vol.com account that is set up through their theology classes. All activities should be recorded within 2 weeks of the activity and hours accumulated during the summer should be recorded when school starts.
- The importance of service hours is a part of our curriculum. The service requirement must be met prior to exam week. Hours should be reported as soon as the activity is completed.
- Failure to complete the service requirement for the year will result in grades being withheld. A student will not officially pass on to the next grade unless all hours are completed before exams begin.

## **SOCIAL NETWORKING**

- Social networking sites (Facebook, Tumblr, Twitter, Instagram, Snapchat, etc.) are blocked on the laptops on our campus.
- If you use social networking sites outside of school, exercise care with personal profile data and posted content to ensure that information does not reflect poorly on yourself, your peers, your family, or your school. Any content that reflects unfavorably on the school is strictly prohibited. This includes no vulgar language, no inappropriate pictures, no hateful, hurtful or mean references to or about anyone. In addition, do not use the names or pictures of administration, faculty, or staff in your messages.
- Using your school email address on social networking sites is forbidden.
- Breaking these rules risks suspension and expulsion.

## **SUMMER SCHOOL FOR CREDIT RECOVERY**

Credit from an SAA approved summer school may be earned for no more than two semesters. Each semester is worth .5 of credit. Credit can be recovered for F (below 65) only and is reported on the summer school transcript for college. The summer school transcript must be mailed to the SAA Registrar directly from the summer school and is not combined with the SAA transcript.

**-T-**

## **TEST AND PROJECT CALENDAR**

In an effort to ensure success in academics, there is a test and project calendar that students may access. Three important rules concerning the calendar are:

1. Students are not to have more than two (2) tests on any given day.
2. Teachers are required to post tests and projects on this calendar.

3. No assessments, including tests, projects, papers, etc. can be due on the day that classes resume after a holiday.

## TRANSCRIPTS

A student must have a cumulative grade point average of a 2.0 before SAA can send an official St. Agnes Academy transcript to a college. Seniors who want transcripts sent to colleges should fill out a *Transcript Request Form* in the Counseling Center. A final transcript is sent to each senior's designated college the week following graduation and is given to every senior at graduation in addition to all records if all obligations are met. (See page 15 for details.)

**Note:** Transcripts are only available during school hours when school is in session.

## TRIPS

The Upper School sponsors trips in order to give students the opportunity to further their studies with first-hand knowledge, enabling them to broaden their intellectual horizons. Trips include travel to New York, Europe, and our Costa Rica Exchange Program.
